The new 125 line to Marineland is just in time for your summer fun. The line starts in the terminal at 6th and Los Angeles Street, and makes all local stops on 5th, Olive, and 8th Streets before going on the Freeway. This line offers 2 trips daily and 6 trips Saturday and Sunday. One trip each day, including Saturday and Sunday, goes by way of Lawndale, Manhattan Beach, Hermosa Beach and Redondo Beach on its way to Marineland. The remainder of the service uses the Harbor Freeway. This is the kind of a trip your relatives will love, and you, too, for that matter. Even if you've seen Marineland, they have a delightful restaurant, a new sky ride and a fine motel, if you want to stay a day or two. Send for a new 125 timetable today.

Saturday, Martha and I, along with the grand kids, took some sandwiches, a thermos of iced tea and headed for the beach. I don't know about you, but I have more fun at the beach than a flea at a dog show. We establish a beach head not too far from the powder room and within walking distance of a hamburger stand. I couldn't help wonder as I stared out at the Blue Pacific and smelled that fresh sea air, why everyone doesn't claim their share of this extravaganza. That old excuse of not having a car just won't work. RTD has bus service to almost all the public beaches from Santa Monica to Balboa. If you want to get away from the noise and smog of the city, go to a beach and enjoy the ocean. Not all the ocean front is sand and sun. The beautiful shaded park along Ocean Boulevard in Santa Monica is ideal for those who want to see, but not touch. The RTD 83 bus will let you off exactly in front of that park. Send for a map and timetables today.

Don't forget summer is the time for a monthly pass. All the one-zone riding you want for \$12.00 a month. Even if you ride farther than one zone, your pass is good for the first 30¢ portion of any fare. For the kids, the Student I.D. Card is the answer. These can be purchased at any participating summer school. For those who ride now and then, the 25 tokens for \$7.00 is a big help. Send for your folder listing monthly pass and token agencies.

Q. Can you give me any information on the Gardena Bus that goes into Los Angeles? I live on Alondra near the Harbor Freeway, Mrs. O.P.
A. I can't supply you with a timetable. You can see Gardena Municipal Lines for that, but I can tell you where to catch it. That is their #1 line and you can catch it on Alondra and Vermont. The Los Angeles terminal is at 6th and Main Street.

Q. Is there a direct bus from Torrance to International Airport? I want to meet some relatives in July. R.A.
A. There is service, but it requires two bus lines. Take the 101 and 102 to Redondo Beach and change to the 51 line on Torrance and Catalina. I'll send you a map and timetables.

Q. How do I get from West Torrance back to Los Angeles? I ride the new 125 line out in the morning. Mrs. M.Z.
A. There are two trips from that area to Los Angeles. One through West Torrance at 3:58 p.m. and the other, a flyer, using the Freeway and can be boarded at Hawthorne and Pacific. I'll send you a timetable.

Q. How can I get to the Del Amo Center from Inglewood? I am near the Forum. Mrs. V.J.
A. The 54 line on Manchester will take you to downtown Inglewood, where you can transfer to the 5 line to South Bay. From there, the 102 line will take you to the Del Amo Center.
